*** Call to Worship**

Friends, we gather on a weekend that is filled with the Holy Spirit’s work surrounding us!

We live in love with God and like our friends from the early church and through centuries of time, we still worship One True God and follow the Spirit’s good works.

Memorial Day, Peace with Justice Sunday. Trinity Sunday. Each with their own dynamic representation of love, unity, honor, and remembering. Each thing represented by this weekend in our faith journeys and guided lectionary.

May we embrace God’s love, may we embody the Holy Spirit’s fire, and may we live by the teachings of Jesus examples of life! Hallelujah! Amen!

*** Hymn**

“We Believe in One True God”

Red Hymnal #85

*Please rise in body or spirit, as you are able

Prayer to Begin

Loving God, we praise you for the power of the love, the expansion of the role of the Holy Spirit that was poured out and the character of the triune nature that surrounded life and light for all humanity. May we be emboldened by that power in our day-to-day lives, empower our hearts that forgive each other and receiving the forgiveness from God's grace. Now and forever more, speak to our hearts in our time of silent prayer through the Spirit of the Living God.

Call to Prayer *"Spirit of the Living God"*

Red Hymnal #393

Peace Prayer

Creator, as we light the candle this morning may we be surrounded by the power of peace and cast out the disharmony in our lives, hearts, churches and world. Bring us to a place where we can be centered in hosting more positive forces, healing powers, and loving interactions. Guide us, as a country toward more harmonious words and actions. Build inclusion into our motives where divisiveness seeps and stagnates our spirits and hearts.
